You have voluntarily entered an AMA Sanctioned amateur competition event. An AMA sanction indicates that this event is listed in the Association's calendar and that the AMA rules for competition may be used as a guideline. It does not indicate that the track/course has been inspected or approved by the Association, nor does it indicate that the officials have been trained or accredited by the Association, nor does it indicate that your safety has been assured by the AMA authority or by the organizer. Motorsports are inherently dangerous. You should take part in this event based on your own assessment of your abilities. By participating in this event, you assume all risks for any injuries or damage that you sustain from such participation. You are solely responsible for the quality and conditions of your technical ability, physical conditioning, motorcycle and protective apparel. The organizer does not provide medical insurance coverage. We urge you not to compete in motorsports without adequate personal medical insurance coverage. If you have any doubts at this time about your personal abilities to participate in this event, if you have not adequately prepared yourself and your equipment, or if you believe your personal insurance coverages are not adequate to compensate you for any loss that might occur, we urge you to notify the organizer who will immediately refund your entry fee. Spectators witnessing these events thereby assume all risks for any injuries or damages resulting therefrom. I have read and agree to abide by all tenants of the AMRA rulebook.
