RE: COVID-19 & Camp Wood

Arizona Trail Riders (ATR) has been in communication with the Prescott National Forest (PNF).

The decision has been made to postpone the April 5th event at Camp Wood

ATR is targeting a date in October 2020 pending a permit from the PNF.

Rider's that have pre-entered will have their entries refunded via PayPal.

We are in the midst of trying times; our goal is to provide a safe environment for riders, rider's families, hosting clubs and AMRA officials.

AMRA will continue to post information pertinent to our sport and series as the Nation works thru this crisis.

Sincerely,

Bob Russell
