

XMC Freedom Sprint Enduro Fact Sheet

- **3 Test Sections:** All riders will do each test twice for a total of (6) tests.
- **Ride** - all Test's in order: 1, 2, 3, 4, 5, 6
- **Test 1** is the Enduro Test. It is 3.2 miles and takes an average A rider about 10 minutes. The Start is just North of the MX Starting Gate.
- **Test 2** is the Moto Test. The Start is on the MX starting gate, Course is 3.6 miles. This course starts in rocks & desert, transfers on & off the Moto track. Average A rider time is 10 mins.
- **Test 3** is the Desert test, The start is North of the MX starting gate, 3.1 Miles, it's very fast desert terrain, Average A rider time will be approx 6 Mins.
- **Test 4** is the Enduro Test again
- **Test 5** is the Moto Test again
- **Test 6** is the Desert Test again
- **Pits** – Riders may return to their vehicles in the parking lot between loops. 1st gear ONLY.
- **Start Test 1** – Key time is 11:00am. 1 rider every 15 seconds. Riders will start in numerical order: 1A, 1B, 1C, 1D, Etc
- **All subsequent Test starts** - A's then B's then C's. First come, first serve. Starts are live engine because it will go very fast. One bike every 10-15 seconds for almost 1 hour straight! There is no time to deal with a dead bike.
- **Scoring** – Time will start as the course worker flags you to start.
- **Etiquette** – If a faster rider catches you, let them pass, if a faster rider wants to start a test ahead of you, let them go ahead.
- **Numbers Pre-Printed** will be provided for all riders. (1A, 1B, 1C, Etc..)
- **Transponders** – Are required – for sale at registration.
- **Spectators** - should be encouraged to use the grand stands or watch from the parking lot. There will be close racing at the start of each test in these areas.
- **Mini Courses** – Mini's will race a traditional Hare Scrambles format. All 50cc and 65cc (7-9) at 8:00AM
- **All 85cc and 65cc (10-11) at 9:00AM**
- **Awards** – We hope to have the AA podium ASAP after Test 6 is complete. Mini awards will be at 1:00pm.
- **Race Timing** – This will shape up as the race approaches and times are taken. However, we think each test will take an A rider >10 minutes, B rider 12 minutes and C rider 15 minutes. Unfortunately, to keep things moving, the fastest classes will get the most rest and the slowest classes will get the least rest, but we will do the best we can.

XMC Sprint Enduro
